Friday 2nd February 2024

Dear Parents/Carers,

On **Friday 16th February**, the school council have organised a 'Dress in Blue day. They would like to raise money for the charity Blythe House, as it supports families in the area who may be struggling with illness or bereavement.

They would like everyone to come to school wearing an item of blue clothing, (or all blue if they wish), and all donations will go to Blythe House.

Many thanks for your continued support. The School Council
